Curriculum vitae

PERSONAL INFORMATION Luisa Petraccia

NATIONALITY Italian

À GENDER F

CURRENT POSITION MD PhD

Tenure Track Researcher L.240/2010 (MEDS-05/A)

UniCamillus-Saint Camillus International University of Health Sciences, via di Sant'Alessandro, 8 00131 Rome, Italy

Institutional E-Mail: luisa.petraccia@unicamillus.org

EDUCATION AND TRAINING

1986

High school graduation

Liceo Classico "Vittorio Emanuele II", Lanciano (Italy)

12/11/2002

Degree in Medicine and Surgery

University "Sapienza", Rome (Italy)

Degree in Medicine and Surgery, mark 110/110 with honors, discussing the experimental thesis "Immunohistochemical evaluation of multidrug resistance (MDR) in the hepatocarcinoma and its clinical and prognostic significance"

November 2002

National State Exam for Professional Qualification

University of Rome "Sapienza", Rome (Italy)

21/11/2006

Medical Specialty

University of Rome "Sapienza", Department of Internal Medicine and Medical Specialties, Policlinico Umberto I Rome (Italy)

Specialization in Medical Hydrology (Thermal Medicine since 2015), mark 70/70 with honors after discussing the experimental thesis "An evaluation method of stress: possibility of application in the thermal matter". During specialization I was awarded a scholarship in Medical Hydrology (Thermal Medicine).

29/03/2008

University Master post-lauream (2nd level)

University of Rome "Sapienza", Department of Surgery, Policlinico Umberto I Rome (Italy)

Master post-lauream (2nd level)in "Emergency Medicine", mark 110/110, after discussing the thesis "Emergency in the toraco-abdominal aneurysm from first-aid to surgery lounge"

28/06/2011

Doctor of Philosophy

University of Rome "Sapienza", Department of Anatomical,Histological, Forensic,and Musculoskeletal Sciences. Rome (Italy)

PH.D. in Experimental and Clinical Hepatogastroenterology (3-year course)

From March 2012 to October 2013

University "High Formation" Course Award

University of Rome "Sapienza", Rome (Italy)

© European Union, 2002-2017 | http://europass.cedefop.europa.eu

Research Enhancement and Development RED, Physics Department

01/10/2013-30/06/2014

Postdoctoral Researcher

“University of Trieste, Trieste (Italy)

“**POR FESR Fellowship 2013/2014** Foundation Liver Italian, Department of Liver Center Study Cattinara Teaching Hospital.

AREA Science Park Basovizza

Piattaforma per la Medicina Molecolare e Personalizzata "D.Namica", POR FESR 2007-2013

“Studio dei fattori di sviluppo di carcinomi del fegato e follow-up dei soggetti con malattia di fegato afferenti alla Clinica Patologie Fegato (Liver Center Study) “Cattinara Teaching Hospital Trieste”.

15/11/2013–15/05/2014

Research Collaboration Contract

University of Rome “Sapienza”, Department of Internal Medicine and Medical Specialities, Rome (Italy), Policlinico Umberto I Teaching Hospital.

"The Hydropinotherapy in some diseases of the biliary tract – A study on the efficacy of the therapy with a sulphatebicarbonate mineral water"

Postdoctoral Researcher

University of Florence , Florence (Italy)

MaSVE-CRIA Center for Systemic Manifestations of Hepatitis Viruses - Interdepartmental Research and Innovation Center, S.O.D Internal Medicine and Hepatology, Department of Experimental and Clinical Medicine - Careggi Teaching Hospital - University of Florence Italy, Firenze (Italy)

15/10/2014-31/01/2015

Research Grant

“Evaluation of the efficacy and security of the therapy with Tenofovir in preventing the progression of fibrosis and hepatocellular carcinoma in patients with chronic hepatitis B, HBeAg neg and significant fibrosis hepatitis (score Ishak> 3) and the validity of certain virological and clinical markers in predicting the progression”.

01/02/2015-31/01/2018

Research Grant

“Counselling dietary and nutrition in liver disease patient and/or with extra hepatic manifestation”.

01/03/2018-28/02/2019
01/03/2019-29/02/2020
01/03/2020-28/02/2021
01/03/2021-31/10/2021

Grantee Researcher Fellow

“Quality of live in patients with HCV- related mixed cryoglobulinaemia with DAAs regimens: analysis of patients-reported outcomes and cytokines with central effect”.

01/11/2021-31/10/2025

Specialitation scholarship to Pharmacology and Clinical Tossicology, Department of Fisiology and Pharmacology Vittorio Erspamer, University of Rome “Sapienza” Rome (Italy).

01/11/2022-30/11/2023

Collaboration agreement for the performance of research activities on “Randomized Study RISP (Italian Lung Screening Network)”, promoted and financed by the Ministry of Health and the Lead Center is the Milan Cancer Institute, at the IRCCS “Regina Elena” National Cancer Institute Rome (Italy).

01/11/2021-31/10/2024

Collaboration agreement for the performance of research activities on “Analysis and Evaluation of Smoking Treatment with Cytisine: A Retrospective Observational Study”, at the IRCCS” Regina Elena” National Cancer Institute Rome (Italy).

Collaboration agreement for the performance of research activities on “Self-harm by single- and multi-agent medication poisoning in a retrospective analysis of a Poison control Center database from January 2018 December 2022”, at the Poison Control Center Unit,

© European Union, 2002-2017 | http://europass.cedefop.europa.eu

Department of Emergency, Anesthesia and Critical Care Medicine, Policlinico Umberto I Hospital-Sapienza University of Rome, Rome (Italy).

01/04/2024 — Winner public selection for the recruitment of a contingent of n.701 doctors at the INPS in Abruzzo,Lazio and Tuscany to whom individual assignments can be assigned, with self-employment contracts pursuant to the National Collective Agreement signed on 11 October 2022.

18/11/2024-present — Collaboration agreement for the performance of research activities on "Pharmacogenetics/Pharmacogenomics of Chemotherapeutics" at the Department of Neuroscience, Psychology,Pharmaceutical Area and Child Health (NEUROFARBA) as wel as the Department of Health Sciences, University of Florence.

27/08/2025 — Eligible for the Notice of Public Selection based on qualifications and interview for the stipulation of fixed-term employment contracts for the profile of Medical Director for the Discipline of Pharmacology and Clinical Toxicology to be assigned to the S.S. Poison Control and Clinical Pharmacology Center belonging to the S.C.Chemical-Clinic Analysis Department with a score of 32/40 (minimum score 28/40) announced by the Niguarda Hospital in Milan (Italy).

03/11/2025 — **Tenure Track Researcher** L240/2010 competitive sector (MEDS-05)

UniCamillus-Saint Camillus International University of Health Sciences,Rome, Italy.

20/6/2018-22/06/2018

Training Course Award

University of Florence, Florence (Italy)

Projection of a winning proposal in Horizon 2020 I and II Level

14/12/2018-15/12/2018 — Interactive Course "Unmet needs in hepatology and gastroenterology" AISF-SIGE Rome

10/02/2020-18/02/2020 — Projection of a Winning Proposal in Horizon 2020 III Level

21/10/2021 — Interactive Virtual Course SIMI 122 Internal Medicine National Congress "Gestione delle Urgenze in Medicina Interna"

15/12/2021 — Interactive Virtual Course SIMI 122 Internal Medicine National Congress "La Carenza di Ferro nel Paziente Internistico Complesso e Fragile"

30/06/2022 — BLSD-BASIC LIFE SUPPORT & DEFIBRILLATION- Adulto e Pediatrico codice 4484

29/09/2022 — Ecografia Internistica di I Livello How to Do. Quadri Normali e Patologici Bedside.

26/27/03/2024 — Advanced IX Course in" Clinical Ultrasound in Infectious Diseases ".

08-09/07/2025 — Corso Avanzato di Tossicologia Clinica:"Trattamenti e Procedure nelle Intossicazioni Acute".

WORK EXPERIENCE

December 1999 - January 2000

Residency

UTIC, "Renzetti" Hospital, Lanciano (Italy)

February 2000 – November2000

Residency

Internal Medicine Ward, Department of Medical Therapy of the Medicine Faculty, Rome, University "Sapienza"

December 2000 - January 2001

Residency

Ward of Internal Medicine of "Renzetti" Hospital, Lanciano (Italy)

February2001 – May 2013

Residency

© European Union, 2002-2017 | http://europass.cedefop.europa.eu

Internal Medicine Ward, Department of Medical Therapy of the Medicine Faculty, University of Rome "Sapienza", Rome (Italy)

June 2013 – August 2013

Residency

Collaboration agreement for the performance of research activities on " Application of Impedance analysis (BIA) in follow-up of diabetic patients and in metabolic syndrome" atb the Diabetology Ward San Camillo Forlanini (before Carlo Forlanini) Hospital", Rome Italy.

September 2013

Residency

University of Rome "Sapienza", Rome (Italy)

Internal Medicine Ward, Department of Medical Therapy of the Medicine Faculty, University of Rome "Sapienza", Rome (Italy)

November 2021- September 2022

Residency

CAV Department Emergency,Acceptance,Critical Area and Trauma, Emergency Toxicology, Department of Physiology and Pharmacology " Vittorio Erspamer".

April 2022- March 2023

Residency

ARES 118

December 2022-Settember 2024

Residency

December 2022-November 2023

IRCSS IFO Rome UOSD of Respiratory Pathophysiology; Department of Clinical and Operational Oncology Research.

November 2021-31-October 2025

Department of Physiology and Pharmacology " Vittorio Erspamer" with Collaboration agreement for the performance of research activities on "Pharmacogenetics/Pharmacogenomics of Chemotherapeutics" at the Department of Neuroscience, Psychology,Pharmaceutical Area and Child Health (NEUROFARBA) as wel as the Department of Health Sciences, University of Florence.

Residency

November 2024-31-June 2025

Trento Provincial Health Authority Medical Service

2005-2012

Family Medicine

Public Health Office and General Medicine Rome (Italy)

Working as a substitute in General Medicine and in Public Health Offices for Preventative Medicine and Social Medicine

2009–2014

Emergency Department

Policlinico Umberto I Teaching Hospital " Sapienza University of Rome", Rome (Italy)

Substitute in Emergency Medical Care Doctor

2010–2013

Research Assistant and Medical Doctor

Policlinico Umberto I Teaching Hospital "Sapienza" University of Rome, Rome (Italy)

Department of Internal Medicine E, Thermal Medicine, Medical Therapy, Policlinico Umberto I "Sapienza", University of Rome, Roma (Italy)

15/11/2013–15/05/2014

Research Collaboration Contract

University of Rome "Sapienza", Department of Internal Medicine and Medical Specialities,Policlinico umberto I Rome (Italy)

© European Union, 2002-2017 | http://europass.cedefop.europa.eu

"The Hydropinotherapy in some diseases of the biliary tract – A study on the efficacy of the therapy with a sulphatebicarbonate mineral water"

01-October-2013–30-June-2014

Research Assistant and Medical Doctor

Cattinara Teaching Hospital University of Trieste, Trieste (Italy)

Department of Internal Medicine,Liver Study Center, Cattinara Teaching Hospital, Trieste University, Trieste (Italy)

14-October 2014–31-October 2021

Research Assistant and Medical Doctor

Careggi Teaching Hospital University of Florence, Florence (Italy)

Department of Clinical and Experimental Medicine, S.O.D Internal Medicine and Hepatology - Careggi Hospital at University of Florence, Firenze (Italy)

14- June 2014–30 -June 2021

01-March-2020-31-October 2025

01-November-2024-30-June-2025

Research Assistant and Medical Doctor

ASUGI (University Health Authority Giuliano Isontina), Trieste (Italy)

USL Tuscany Center, Firenze (Italy)

APSS Trento, Trento (Italy)

01-April-2013-31-October-2013

Collaboration Contract Medical Doctor

Supervisor Vaccinations SARS-COV-2 (COVID-19) to Public Pharmacy Florence (Italy)

2021-November- 31 - October 2025

Doctor Undergoing Specialist Training in Pharmacology and Clinical Toxicology

Dipartimento di Fisiologia e Farmacologia “Vittorio Erspamer” University of Rome “Sapienza”, Policlinico Umberto I, Teaching Hospital and IFO, Oncology Research Center

2023-August -01

Eligibility for Type A Researcher, competition sector 05/G1 Pharmacology,clinical pharmacology and pharmacognosy SSD BIO/14 Pharmacology. Department of Clinical and Experimental Medicine. University of Pisa. (Italy).

05-July-2024

Eligibility for Type A Researcher competition sector 06/D1 Respiratory System Diseases SSD MED/10 Respiratory.Department of Medical,Surgical and Neurosciences. University of Siena. (Italy).

01-November-2024-31-October-2025

Collaboration agreement for carrying out research activities on pharmacogenetics and pharmacogenomics of chemotherapeutics in particular colon,ovary and non-Hodgking lymphomas at the University of Florence.Department of NeuroFarba.

2017-2021

Clinical Trial

I declare that I have 5 years experience in participating in Clinical Trials, according to JCP.

Subinvestigator Endurance M15 - 464

Subinvestigator Topaz M14 – 423

Subinvestigator Mars Study P16-919

PERSONAL SKILLS

Mother tongue(s) Italian

Other language (s) : English Listening Reading Spoken interaction Spoken production

German Reading Spoken interaction

© European Union, 2002-2017 | http://europass.cedefop.europa.eu

Job-related skills

Clinical and research activity, especially focused on the diseases of the liver in particular hepatitis viruses and hepatic comorbidities in particular mixed cryoglobulinemia and treatment with anti-CD20 monoclonal antibodies (RTX and biosimilar Mabthera), the biliary tract and metabolic diseases, food poisoning and drugs. Other fields of research concern thermal therapy, pneumopathies,pharmacological, oncology gene therapies and toxicology.

.

Memberships

- Member of the Medical Association in Chieti since 2003
- Member of the Italian Society of Internal Medicine (SIMI) since 2005
- Member of the staff for "Multicentric Research" headed by Prof. Adriano Tocchi, Director of "Pietro Valdoni" General Surgery Department, University of Rome "Sapienza" 2008
- Member of the research staff for "Rheumatic diseases and thermal therapy", coordinated by Prof. Guido Valesini, Director of the Department of Internal Medicine and Medical Specialities, University of Rome "Sapienza" 2009
- Member of the staff for "Update on Colangiocarcinoma in Italy" of AISF, director Prof. Domenico Alvaro of Clinical Medicine Department, University of Rome "Sapienza" 2009
- Member of the the Italian Association for the Study of the Liver (AISF) since 2010
- Member of the "Group of Italian Geriatric Oncology" (G.O.G.I.) 2010
- Member of the " Tuscan Hepatologists Society " (Italy) since 2015
- Member of the " Italian Society of Pharmacology " (SIF) since 2022

Teaching

- Integrated teaching of Internal Medicine at the School of Specialization in Physical Medicine and Rehabilitation, University of Rome "Sapienza", directed by Prof. W. Santilli from 2009 to 2014.
- Teaching Internal Medicine in the 2nd level Master "Thermal Medicine" University of Rome "Sapienza" directed by Prof.Antonio Fraioli 2011.
- Integrated Teaching in Semeiotica Medica III anno Secondo Semestre, Facoltà di Medicina e Chirurgia La Sapienza Università di Roma. Titolare del Corso Prof.ssa Stefania Basili, from 01-03-2004 to 30-05-2004
