

UNICAMILLUS

**TUITION FEES REGULATIONS FOR THE
ACADEMIC YEAR 2021/2022**

Approved by the Organising Technical Committee on October 21st 2020

TUITION FEES REGULATIONS FOR NON-EU STUDENTS RESIDENT ABROAD FOR THE ACADEMIC YEAR 2021/2022 OF SAINT CAMILLUS INTERNATIONAL UNIVERSITY OF HEALTH SCIENCES (UNICAMILLUS)

Art. 1 – Introduction

These regulations have been approved by the Organising Technical Committee to regulate the payment of the tuition fees for the academic year 2021/2022. These regulations apply to all non-EU students resident abroad enrolled **for the first time** in the academic year 2021/2022.

Art. 2 – Amount of fees

Non-EU students

For non-EU students not residing in one of the countries belonging to the European Union, the contributions are determined at a fixed rate regardless of the value of the Economic Situation Indicator.

Annual contributions are determined according to the tables below depending on the chosen degree course.

The amount of the contributions does not include any expenses for room and board, books or other expenses and services.

All amounts do not include the **regional tax set every year by the Lazio Region** that shall be paid directly to LAZIODiSCO.

For the 2020/2021 academic year, the amount was set at € 140.00. Students must provide proof of the aforementioned payment by sending to UniCamillus a copy of the payment made.

Upon payment of the first instalment, the student shall also pay the stamp duty fixed by the Revenue Agency in Euro 16.00.

Art. 3 – Deadlines, exemptions, scholarships, fines for delayed payment

The amounts due shall be paid compulsorily within the deadlines indicated in these regulations, through the following methods provided within the student portal: MAV slips, credit / debit card and Paypal.

Any delayed payment of the amounts by the deadlines indicated in these Regulations will cause for the student the suspension of all didactic and administrative activities, included the possibility of sitting the exams, and the payment of a fine of € 100 (for amounts due lower than € 1.000), € 200 (for amounts due from € 1.001 and 3.000) and € 300 for amounts higher than € 3.000.

In case the student does not settle the payment situation within 20 days from the deadlines indicated, the University can consider the student withdrawn from the Degree Course he is enrolled in. The student will not be able to perform any act of academic relevance (including sitting exams) and will not be able to use the services provided by the University. If the student's payment situation remains not regularized within 60 days of receiving a warning to pay, the University reserves the right to consider the student withdrawn from the Degree Course in which he is enrolled, without prejudice to the full payment of the contributions expected by this regulation for the academic year in which he is enrolled.

The provisions of art. 9 par. 2 of the Legislative Decree 68/2012, providing that “*the universities exempt from the payment of the tuition fees the students who are eligible for a scholarship*”, and those stated in art. 9 par. 10 of the same Legislative Decree “*Legally recognized private universities set aside for capable and deserving students, but without means, a share of the State contribution, disbursed according to the Law 29 July 1991, no. 243, through the granting of total exemption from the payment of university tuition fees as from par. 2*”, do not apply to UniCamillus since the University does not receive any contribution from the State. In fact, according to the provisions of Art. 3 of DM 927 of November 28th 2017 of Establishment and Accreditation of UniCamillus University “*no costs to be borne by the State can result from the establishment of the University*”. Consequently, the provisions of art. 3 par. 3 of the Law no. 243 of 1991, stating that “*.....every University sets aside a share of the State contribution for the capable and deserving students without means, through scholarship or other types of exemption from the payment of tuition fees*” shall not apply, for the simple reason that UniCamillus does not receive any State contribution.

Non-EU students residing abroad and benefiting of a partial scholarship granted by UniCamillus must pay the first instalment upon enrolment and they will be exempt from the payment, total or partial, of the other instalments depending on the value of the scholarship they have been granted.
