Successful candidates in the Admission test who do not respect the payment deadlines indicated in the Call for application will be considered as waived.

On the other hand, the delayed payment of the amounts with respect to the deadlines indicated in these Regulations (third installment for the Degree Course in Medicine and Surgery and for the Degree Course in Dentistry and Dental Prosthetics and second and third installments for the other Degree Courses of the Health Professions) will result for the student in the block of all didactic and administrative activities, including taking exams, and the charge of a penalty equal to Euro 100 (for amounts due below Euro 1.000), to Euro 200 (for amounts due between Euro 1.001 and 3.000) and Euro 300 for amounts exceeding Euro 3.000. The provisions contained in article 9 paragraph 2 of legislative decree 68/2012 which states that "*universities fully exempt from the enrolment fee and university contributions those students who meet the eligibility requirements for the achievement of the scholarship*" and

those contained in article 9 paragraph 10 of the same legislative decree “*Legally recognized non-state universities reserve for capable and deserving students without means, a share of the State contribution, paid in accordance to Law 29 July 1991, no. 243, by granting total exemptions from the payment of university fees and contributions referred to in paragraph 2*” are not applicable to UniCamillus since the University does not receive contributions from the State. In fact, according to the provisions of Article 3 of Ministerial Decree 927 of November 28, 2017 for the Establishment and Accreditation of the UniCamillus University, “*the institution of the University cannot result in charges for the State*”. Consequently, the provisions contained in Article 3 paragraph 3 of Law 243 of 1991 where it provides that “*... each University reserves a share of the state contribution to capable and deserving students without means, through scholarships or forms of exemption from payment of taxes and student contributions*” do not apply for the simple reason that UniCamillus does not receive any government contribution.
