First World Experience with OCTOPORT in pediatric age used for varicocelelectomy, appendicitis (peritonitis included), splenectomy, cholecystectomy, intestinal urgencies, intestinal intussusception, Meckel diverticulum, ovarian cysts, ovarian tumours and torsions. Nominated Surgeon Instructor by INNOVA MEDICA

technical innovation: new laparoscopic percutaneous technique for varicocele.

A chi di competenza

Cusago (MI), 20 febbraio 2019

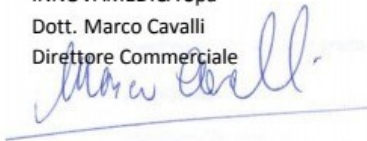

Oggetto: OCTOPORT - Comunicazione riferimento in Chirurgia Pediatrica mininvasiva

Nello sviluppo della propria attività nel settore chirurgico-specialistico, INNOVAMEDICA SPA, azienda italiana con sede legale in Milano e uffici operativi in Cusago (MI), operante nel campo medicale dal 1999, dichiara di aver individuato nel Dr Nicola Zampieri, in virtù della sua specifica e profonda competenza in materia, lo specialista di riferimento per l'utilizzo clinico corretto del Sistema di accesso laparoscopico multicanale OCTOPORT.

Infatti, nell'ambito della propria attività svolta presso l'UOC di Chirurgia Pediatrica Generale e Specialistica dell'AOUI di Verona, il chirurgo ha maturato una grande esperienza specifica, che lo identifica come referente qualificato per corsi e workshop teorico/pratici di chirurgia mininvasiva pediatrica con l'utilizzo del dispositivo.
