

DEGREE IN MIDWIFERY

Teaching: Gynecology and Obstetrics

SSD: Med/40

Credits: 2

Professor Name: [Prof. Elvio Marovello](#)

E-mail elvio.marovello@unicamillus.org

PREREQUISITES

None.

LEARNING OBJECTIVES

The indispensable learning objective is the knowledge of the gynaecological anatomy and physiology and the main gynaecological diseases.

LEARNING OUTCOMES

Knowledge and ability to understand

At the end of this teaching course the student will be able to:

- Describe the gynaecological anatomy and physiology
- Describe the main gynaecological pathologies and complications

Applying knowledge and understanding

At the end of this teaching course the student will be able:

- To recognize the pathologies and methods of diagnosis to identify them
- To know the principles of a correct management of the main gynaecological diseases

Communication skills

At the end of this teaching course the student will be able to correctly use the proper scientific and clinical terminology applied to the above disorders

Making judgments

At the end of this teaching course the student will be able to correctly diagnose the above disorders.

COURSE SYLLABUS

- Anatomy of the female reproductive system
- Outline of the anatomy and physiology of the male genital system
- Gynaecological endocrinology
- Physiology of the female genital system
- Gynaecological diagnosis

- Malformative pathology of the female genital system
- Menstrual changes
- Climacteric syndrome
- Hirsutism
- Sterility
- Sexology
- Contraception
- Phlogosis of the genital system
- Non-inflammatory pathology of the uterus
- Tumors
- Gynaecological surgery

COURSE STRUCTURE

The course will consist in n.14 hours of frontal lessons, which will be held according to the academic calendar.

COURSE GRADE DETERMINATION

The preparation and the skills of the students will be checked by an oral examination.

< 18 Fail	The candidate possesses an inadequate knowledge of the topic, makes significant errors in applying theoretical concepts, and shows weak presentation skills.
18-20	The candidate possesses a barely adequate and only superficial knowledge of topic, limited presentation skills, and only an inconsistent ability to apply theoretical concepts.
21-23:	The candidate possesses an adequate, but not in-depth, knowledge of the topic, a partial ability to apply theoretical concepts, and acceptable presentation skills.
24-26	The candidate possesses a fair knowledge of the topic, a reasonable ability to apply theoretical concepts correctly and present ideas clearly.
27-29	The candidate possesses an in-depth knowledge of the topic, a sound ability to apply theoretical concepts, good analytical skills, clear argumentative clarity and an ability to synthesize.
30-30L	The candidate possesses an in-depth knowledge of the topic, an outstanding ability to apply theoretical concepts, a high level of argumentative clarity, as well as excellent analytical skills, and a well-developed ability to synthesize and establish interdisciplinary connections.

OPTIONAL ACTIVITIES

The optional activities for the students will be the possibility to attend to dedicated seminars and research fellowships.

READING MATERIALS

Materials delivered by the professor.
