

Stefano Pacifici

<https://orcid.org/0000-0003-3725-0372>

#### Education

---

D.MIUR 27/7/2000 eq. Degree in Techniques of Medical Radiology, Imaging and Radiotherapy  
Master Degree in Management e Coordination of Health Professions  
Master Degree in Ultrasound: technique, anatomy and clinical applications  
Certificate of Trainer of trainers  
High education certificate of Expert in Psycho-oncology  
High education certificate of Expert in Micromovements and advanced imaging systems

#### Professional experience

---

37 years experience (since 2002 in breast imaging, management and coordination)

Now Coordinator at IPA's Preventive Medicine Centre and at Stomatologic Centre, Rome

2004 Quality assurance program consultant at Fondazione Don Carlo Gnocchi - IRRCS "S.M.della Pace", Roma

5/2018 Teaching assignment at ASL Frosinone "Evaluation and improvement of mammography technical quality breast screening programme"

4/2018 Teaching assignment at ASL Latina "Evaluation and improvement of mammography technical quality breast screening programme"

11/2018 Teaching assignment at "Training and certification programme for radiologists to be allocated at Regione Sicilia breast screening programme"

since 2017 Teaching assignment at "Master in Mammography for radiographers" at Sapienza University, Polo S.Spirito, Rome

a.y. 2017-18 Teaching assignment at "Master in applied technical sciences at diagnostic, radiological, laboratory and therapeutic breast cancer pathways" at Sapienza University, Polo S.Camillo-Forlanini, Roma

since 2015 Teaching assignment at Degree Course in TRMIR at Sapienza University, Polo S.Spirito, Rome

2015 Lecturer at "Curso de Investigación para Tecnicos en Imagen para el Diagnostico" at Centro de Estudios Sanitarios del Mediterraneo in Alicante, Spain

since 2005 >400 teaching hours in CME courses

President at AITeRS - Associazione Italiana Tecnici di Radiologia Senologica

Expert Collaborator e Researcher at AGENAS (areas: Research and International relationships; Clinical-Organizative-Epidemiological-Social; Health services transparency and integrity)

External component of European Commission Initiative on Breast Cancer work groups "Healthcare accreditation (quality & safety)" e "Quality Assurance Scheme Developing Group"

Component of the EFRS's Expert Network (mammography experteer)

Component (breast imaging expert) of FASTER's Scientific Committee

Coordinator of teaching courses for breast radiographers at Società Italiana di Senologia

Coordinator of the Federazione Ordini TSRM-PSTRP's Breast Imaging work group

Component of Europa Donna Italia's Technical-Scientific Committee

Component of Senonetwork Italia's Scientific Committee

Coordinator of the Senonetwork Italia's radiographers work group

Member of the "Specialty Committee of Breast Diseases della World Federation of Chinese Medicine Societies" e xecutive committee

Member of COCHRANE Breast Cancer Group Collaboration

Member of SESPM - Sociedad Española de Senologia y de Patología Mamaria

Formerly Vicepresident at AITeRS- Associazione Italiana Tecnici di Radiologia Senologica

Formerly Coordinator of the Breast Unit regional work group (Coord.Regionale Lazio)

Formerly member of the Collegio Prof.le TSRM della Provincia di Roma Scientific Committee

Formerly External consultant at Lombardia TSRM Breast Unit Expert Commission

Formerly referee for education in breast imaging at "Sviluppo e Progresso" and "AssoRad" and Education and Research area Director at "FOR Sanità"

Editor at *Imagen Diagnostica* e *Journal of Women's Health* international scientific journals

Reviewer at *British Journal of Radiology*, *Journal of Radiological Cases Report*, *Journal of Evidence-Based Integrative Medicine* international scientific journals

Formerly Editor (Breast Imaging section) and Sub-Editor (Breast section) at *Radiopaedia*

#### Invited speaker at congresses/conferences

---

"SenoAdunata 2019" (Siracusa, 2019)

"Le pratiche di consapevolezza per il paziente oncologico e per il benessere dei professionisti" (Roma, 2019)

"Percorsi in oncologia mammaria" (Vallo della Lucania, 2018)

Convegno Nazionale GISMa (Roma, 2018)

1° Congresso Nazionale AITeRS (Rimini, 2018)

"Attualità in Senologia" 2018 (Firenze, 2018)

"La mammografia. Corretta tecnica di esecuzione e nuove metodiche" (S.G.Rotondo, 2018)

"Il ruolo del TSRM nello screening mammografico e nel percorso senologico" (Perugia, 2017)

9a Jornada Internacional de Radiologia Margarita (Isla Margarita, Venezuela, 2017)

"TSRM e Breast Unit: siamo in Europa" (Milano, 2017; Pavia, 2017)

1st Global Conference on Integrated Traditional Chinese Medicine and Western Medicine in Preventing & Treatment of Breast Diseases (Shanghai, Cina, 2017)

Convegno Nazionale GISMa (Verona, 2017)

Senonetwork: Incontro Centri di Senologia 3.0 (Roma, 2016)

International Day of Radiology - Spain (Madrid, Spagna, 2016)

"TSRM e Breast Unit: siamo in Europa?" (Roma, 2016)

3° Congreso Nacional de la Asociación Catalana de Tecnicos en Diagnostico por Imagen (Barcelona, Spagna, 2012)

2° Congreso Nacional de la Asociación Catalana de Tecnicos en Diagnostico por Imagen (Barcelona, Spagna, 2010)

7 ° Ulusal Kongresi Radyoteknoloji (Antalya, Tuchia, 2007)

#### Speaker at congresses/conferences

---

European Congress of Radiology 2017; 2018; 2019 (Vienna, Austria)

5° Congreso Nacional de la Asociación Catalana de Tecnicos en Diagnostico por Imagen (Barcelona, Spagna, 2016)

16° Congresso Nazionale della FNCSPTSRM (Riccione, 2015)

1° Congreso Español de la mama (Madrid, Spagna, 2013)

- 12° Congresso della Società Española de Diagnostico por Imagen (Marbella, Spagna, 2011)
- 16° World Congress of Senologic International Society (Valencia, Spagna, 2010)
- 10° Arab Health Medical Imaging and Diagnostic Conference (Dubai, 2010)
- 3° Euro-Mediterranean Congress of Radiographers (Cascais, Portogallo, 2009)
- 1° Congreso Nacional de la Asociación Catalana de Técnicos en Diagnostico por Imagen (Barcelona, Spagna, 2008)
- 2° Euro-Mediterranean Congress of Radiographers (St.Julians, Malta, 2007)

#### Scientific posters at congresses/conferences

- 19° Senologic International Society World Congress on Breast Healthcare (Varsavia, Polonia, 2016)
- Convegno Nazionale GISMa 2016 (Finalborgo - maggio 2016)
- 5° Congreso Nacional de Técnicos Superiores en Imagen para el Diagnostico (Barcelona, Spagna, 2016)
- 16° Congresso Nazionale FNCPTSRM (Riccione, 2015)
- 1° Congreso Español de la mama (Madrid, Spagna, 2013)
- UKRC 2012 (Manchester, Inghilterra, 2012)
- 12° Congreso de la Sociedad Española de Diagnostico por Imagen (Marbella, Spagna, 2011)
- 16° World Congress of Senologic International Society (Valencia, Spagna, 2010)
- 8th Balkan Congress of Radiology (Alexandroupolis, Grecia, 2010)
- 3rd Euro-Mediterranean Congress of Radiographers (Cascais, Portogallo, 2010)
- 2° Congreso Nacional de Técnicos Superiores en Imagen para el Diagnostico (Barcelona, Spagna, 2010)

Citations in 10 publications (papers, books, guidelines, international specialisation and doctorate dissertations)

#### Encyclopedic entries

Author of 49 entries and 227 edits in Radiopaedia

#### Research projects

"Lifetime risk calculation for women entering a mammographic screening programme", in collaborazione con la University of Salford (Manchester, UK)

#### Awards

- Honorary Research Fellow at University of Salford (Manchester, UK)
- Journal of Radiology Case Reports "Hall of fame Award" years 2012, 2013, 2015
- Best oral communication award (Analysis of breast densities in RGB domain) at 3° Congreso ACTEDI, Barcelona (Spain)
- Best oral communication award (Mammography: Frontal oblique approach versus lateral approach) at 16° World Congress of Senology, Valencia (Spain)
