## PERSONAL STATEMENT

I believe that only confronting different cultures it was possibly understand the meaning of our action and integrate our knowledge. So, I am trying to explore the world and assimilating in an eclectic vision different point of views. I am trying to be a competent therapist. I would like to work in the field of research, cooperation and education, also in academic. I worked as clinician, researcher and instructor in different field of rehabilitation in collaboration with hospitals, universities, NGOs, Government Agency and no-profit associations in Italy and worldwide. I am interested in the comprehension of different aspect of Gobal Health and Disability.

## CURRENT JOB

**Research Assistant (temporary)**

*Bambino Gesù Children's Hospital*

*Department of Neurosciences and Neurorehabilitation*

Research project "Seating Clinic" for the quantitative and qualitative evaluation of seated posture in neurdevelopmental disabilities.

Collaboration with the Unit of Microsurgery and Surgery of the Hand

## EDUCATION

NOVEMBER 2009

**BSc in Psycho Neurodevelopmental Therapy**

Sapienza Università di Roma

Final Mark: 110/110. Neuro-behavioral syndromes in preterm infants

MAY 2014

**European Diploma Bobath EBTA**

Recognized from European Bobath Tutor Association

NOVEMBER 2014

**BSc in Occupational Therapy**

Sapienza Università di Roma

Final Mark: 110/110 cum laude. Vegetal fiber biocomposites for potential application in orthotics

JANUARY 2016

**Master I Level in Hand Therapy**

Università degli Studi di Milano

Complex Hand Trauma and Mirror Neurons Technique: litterature review and intervention proposal

OTTOBRE 2017

**MSc in Rehabilitative Science for Health Professions**

Sapienza Università di Roma

Final Mark 110/110 cum laude

Community Based Rehabilitation and social determinants of health

Member of the Expert and Consultant AGENAS – Agenzia Nazionale per i Servizi Sanitari Regionali (National Agency for Health Services) for the areas: clinic / management / epidemiologic / social, research and international area, health systems ( until Agoust 2017).
