Personal information

First name(s) / Surname(s)

CELESTINO VARCHETTA

E-mail

varchettacelestino@gmail.com celestino.varchetta@unicamillus.org

Nationality

Italian

Date of birth

09 May 1974

Gender

M

Work experience

- Hired by the Department of Diagnostic Imaging and Interventional Radiology "Policlinico di Tor Vergata", with a permanent contract since 26/11/2002.
- Hired by the Department of Diagnostic Imaging and Interventional Radiology "Policlinico di Tor Vergata", with a coordinated and continuous collaboration contract in 2001.

Education and training

- 1st level University Master in "Coordination Functions in the Radiodiagnostic, Radiotherapy and Nuclear Medicine" area, obtained in the academic year 2008/2009 at the University "Sapienza" of Rome, Rieti educational pole with a score of 107 / 110.
- Specialist Degree in Diagnostic Sciences, at the University of Rome "Tor Vergata". Achieved in the academic year 2006/2007, with a score of 100/110.
- Degree in Techniques of Medical Radiology for Imaging and Radiotherapy, at the University of Rome "Tor Vergata" with 110 and honours. Achieved in the academic year 2003/2004.
- Bachelor's Degree in "Medical Technician of Medical Radiology". Achieved in the academic year 2000/2001 with a score of 100/110.

Personal skills and competences

- Deputy Director of the C.d.L. Triennial in Techniques of Medical Radiology for Imaging and Radiotherapy, at the University of Rome "Tor Vergata" from 2017.
- Professor of Technical-Practice Activities with MED / 50 teaching module, at the University of Rome "Tor Vergata".
- Lecturer MED / 50 in Medical Sciences and Techniques at the University of Rome "Tor Vergata" a.a. 2018/2019.
- Member and member of the Scientific Forum of AITRI (Italian Association of Interventional Radiology Technicians).
- Tutor of the C.d.L. Triennial in Techniques of Medical Radiology for Images and Radiotherapy from 2002 to 2019.

Mother tongue(s)

Italian.

Other language(s)

Additional information

- Participation in the ECR 2019 congress held in Vienna from February 27th to March 3rd 2019, as an EPOS scientific poster presenter.
- SIC Lazio congress participation on 17 November 2018, as rapporteur.
- Participation in Res / Fad course "Ars Medica II" of Interventional Radiology held in Civita Castellana (VT), on 10 November 2018, as speaker.
- Participation in the National Congress of Interventional Cardiology Italian Society GISE, held in Milan from 16 to 19 October 2018, as a speaker.
- ICEP International Course Endovascular Procedures, held in Rome from 27 to 29 September 2018.
- Participation XVIII National Congress AITRI VII International Meeting of Interventional Radiographers held in Palermo from 25 to 26 May 2018 as moderator.
- Conference participation "Cardiac Imaging in the X-ray area: Role of the TSRM" held in Catanzaro on 5 May 2018 as speaker.
- MyLive 2018 Mediterranean Interventional Oncology conference, held in Rome A.Gemelli Hospital from 29 to 30 January 2018, as a speaker.
- Participation in the international conference "Endograft" as a speaker, held in Rome from 14 to 16 December 2017.
- Participation in the SIC Lazio congress "Updates in Cardiology" as a speaker held in Rome on 18 November 2017.
- Conference participation "Cardio-Vascular and Cardio-Vascular Imaging Techniques in MDCT and Dual Source CT", as the speaker at Castel Volturno (CE) Pineta Grande Hospital Hospital Castel Volturno, on October 24, 2017.
- Participation in the MyLive 2017 Mediterranean Interventional Oncology conference, held in Rome A.Gemelli Hospital from 30 to 31 January 2017, as speaker. "Role and indication of the Cone Beam Xper CT".
- AITRO congress participation held in Rieti on 24 March 2017 at the Sala Cordari, as moderator in the AITRI section.
- Creator and speaker of the ECM event at the Policlinico di Tor Vergata in Rome entitled "Nurses and Technicians of Radiology: an alliance aimed at improving the assistance processes in Diagnostic Imaging". Developed in three editions 29 September, 17 November and 1 December 2016.

- SICVE congress participation from 23 to 25 October 2016, held in Rome Hotel Ergife, as a speaker.
- Author of the Erasmus + project for the C.d.L for T.S.R.M. realized with the collaboration of the University of Prague "Vysokà Skola Zdravotnickà o.p.s." agreement signed on May 4, 2016.
- Dies Campanae conference participation held in Ischia from 26 to 28 May 2016, as speaker.
- AITRI national congress participation as a speaker, held in Milan from 23 to 25 May 2015.
- Participation in ICEP 2014 in-service radiology conference as a speaker, held in Rome from 25 to 27 September 2014.
- Participation in the Congress of neuro-interventional radiology AITNR held in Bergamo 27-28 February 2014 as a speaker.
- Participation 15th national congress T.S.R.M. held in Riccione from 19 to 21 April 2013 as a speaker and moderator of the monothematic course of the neuro-radiology intervention, INR.
- Participation in ICEP 2013 in-service radiology congress as speaker, held in Rome from 26 to 28 September 2013.
- Participation 14th national congress T.S.R.M. held in Riccione from 06 to 10 April 2011 as a speaker.
- Participation 13th National Congress T.S.R.M. held in Riccione from 23 to 25 October 2008 as a scientific poster speaker.
- Participation in ICEP 2005 interventional radiology conference as a speaker, held in Rome from 03 to 05 October 2005.
- Of having participated in numerous conferences of continuing education with ECM accreditation.

Scientific publications

- Publication of scientific article entitled "The hybrid room: the role of the radiographer in the multidisciplinary team" E-health magazine n.60 Nov-Dec 2017 ROC. n. 17883 (www.ehealthnews.it).
- Publication of scientific article entitled "Technology in the operating room" E-health magazine n.57 July-August 2017 ROC. n. 17883 (www.ehealthnews.it)
- Publication of 10 scientific posters in various capacities and themes an occasion of the "Dies Campanae" conference held in Ischia from 26 to 28 May 2016.

- Publication of the scientific article entitled "Tools for the correct management of information technology in the hospital" on the scientific journal Radiologia e Futuro N.1 March 2016.
- Publication of scientific article entitled "3D rotational angiography with post-processing: advantages and dosimetric aspects in endovascular procedures in Interventional Neuroradiology" in the scientific journal Radiology and Future No. 3 of December 2015.
- Scientific poster "Integration between interventional cardiology and Molecular imaging in Tako-Tsubo syndrome. Technical aspects and technology for TSRM ".
Presented at the "Dies Campanae 2014" astel dell'Ovo conference Naples 8-10 May 2014, 1st place.
- Scientific poster "The fusion of images, using software Dedicated between PET and RMI in the imaginal brain imaging Technicians and applications ". Presented at the XVth national congress FN CP TSRM Riccione Congress Palace 19-21 April 2013.
Awarded in the TSRM posters session in 3rd place.
- Scientific poster "Radiant dose reduction techniques applied to cardiac computed tomography: one year of clinical practice "presented at the National Congress: "Dies Campanae 2012" Castel dell'Ovo Naples 25-27 October 2012.
Awarded in 1st place.
- Publication of a scientific article entitled "State of the art of the RM Breast and future prospects "scientific journal" TSRM Every One " Technical-Scientific Quarterly Periodical (Aut.Trib. Lamezia Thermal Baths 1/2011 ROC. N.21176) A.II, n.4, April 2012 pp. 9-22.
Downloadable from the website: www.radiologia.us (prior registration).
- Publication of a scientific article entitled: "Moby-Track con EC sequences in the arterial vascular diagnosis of the lower limbs ".
scientific journal: "TSRM Every One"
Technical-Scientific Quarterly Periodical (Aut.Trib. Lamezia Thermal Baths 1/2011 ROC. N.21176) A.I, n.3, December 2011 pp. 47-57.
Downloadable from the website: www.radiologia.us (prior registration).
- Publication of a scientific article entitled: "Imaging ibrid con SPECT / CT for scintigraphy with white blood cells labeled with 99 Mtc-HMPAO in the diagnosis of infections in the foot and ankle "
Scientific journal "Radiology and Future technical-scientific journal TSRM ", A. IX, n.2, July 2011 pp. 161-163.
- Publication of a scientific article entitled: "The virtual colonoscopy In the study of the large intestine ". Scientific journal "TSRM For Every One ". Technical-Scientific Quarterly Periodical (Aut.Trib. Lamezia Terme 1/2011 ROC. N.21176) A.I, n.1, June 2011 pp.17-22.
Downloadable from the website: www.radiologia.us (prior registration).
