WORK EXPERIENCE

From 11.01.1991 to 30.12.2001	**Technical Officer (VIII level)** - Chair of Forensic Medicine and Insurance - University of Rome "Tor Vergata"
From 31.12.2001	**RESEARCHER (SSD MED/43) -** Faculty of Medicine and Surgery - University of Rome "Tor Vergata"
Since March 2006	**Adjunct Professor -** University of Rome "Tor Vergata".
From 1.9.1995 to 30.06.2018	**First-level manager** - Forensic Pathology Service - ASL RMC.
from 1.09.2018	**First level manager** - Forensic Pathology Service - Policlinico "Tor Vergata".
From 1991 to today	**Medico-legal consultant and Psychiatrist** for the Courts of Rome, Latina, Velletri, Tivoli.
In 2009	Member of the Selection Committee for the assignment of n. 1 scholarship lasting 6 months and for n.1 scholarship lasting 12 months on the topic "Research and development in the field of medical professional liability and clinical risk"- Department of Biopathology and Diagnostics Imaging – University of Rome "Tor Vergata".
In 2018	Member of the Selection Committee for the assignment of n. 1 scholarship lasting 11 months on the topic "Genetic and toxicological analysis in unidentified decedents" - Department of Biomedicine and Prevention – University of Rome "Tor Vergata".
In 2018	Member of the Selection Committee for the assignment of n. 2 scholarships lasting 11 months on the topic "Toxicological analyses for the research of psychotropic active ingredients on a plant, biological and synthetic matrix"- Department of Biomedicine and Prevention – University of Rome "Tor Vergata".
In 2020	Member of the Selection Committee for the awarding of n. 1 fellowship in "Legal and economic management of relevant data in medical malpractice " SSD IUS/01 – Department of Biomedicine and Prevention – University of Rome "Tor Vergata".
In 2022	Member of the Selection Committee for the awarding of n. 1 scholarship on the topic "Health liability in the time of Covid: legal insights" - Department of Biomedicine and Prevention – University of Rome "Tor Vergata".
From 22 July 2024	**Associate Professor of Forensic Medicine** – Unicamillus International Medical in Rome,

PARTICIPATION IN EDITORIAL BOARDS

In 2019	Member of the **Editorial Board** for *Biomedicine & Prevention – An Open Access Transdisciplinary Jouornal*. Ed Piccin Nuova Libraria SPA – ISSN 2531-8543.

TEACHING ASSIGNMENTS

In the academic years 1996-97, 1997-98, 1998-99 Teacher of Histopathological Technique - Residency in Forensic Medicine - University of Rome "Tor Vergata".

Since the academic year 1996-97, Teacher of Histology – Nurse Degree - University of Rome "Tor Vergata".

From the academic year 1999-2000, Teacher of Forensic Medicine in the NHS – Residency in Forensic Medicine - University of Rome "Tor Vergata".

Since the academic year 2003-04, Teacher of Forensic Medicine in the three-year degree course of Audiometric Techniques and in the three-year degree course of Audioprosthetic Techniques - University of Rome "Tor Vergata".

Since the academic year 2005-06, Teacher of Forensic Medicine in the Master's degree course in Sciences of Technical Health Professions - University of Rome "Tor Vergata".

From the academic year 2008-09 to 2022-23, Teacher of Forensic Psychopathology – Faculty of Medicine and Surgery – University of Rome "Tor Vergata".

Since the academic year 2023-24, Teacher of Forensic Medicine in the degree courses in Dentistry and Dental Prosthetics - the University of Rome "Tor Vergata".

From the academic year 2010-11 to 2022-23, Teacher of Forensic Medicine for the Degree Course in Medicine - University "Nostra Signora del Buon Consiglio" in Tirana (Albania).

Since the academic year 2023-24, Teacher of Forensic Medicine in the Master's Degree Course in Dentistry and Dental Prosthetics - University "Nostra Signora del Buon Consiglio" in Tirana (Albania).

Member of the PhD Board in Forensic Sciences in cycles XIX, XX, XXI, XXII, XXIII, XXIV, XXV, XXVI XXVII - University of Rome "Tor Vergata".

Member of the PhD Board in Biotechnological Innovation and Techniques Applied to Surgical, Nutritional and Forensic Sciences - XXVIII cycle - University of Rome "Tor Vergata".

Member of the PhD Board in Applied Medical and Surgical Sciences - XXIX cycle - University of Rome "Tor Vergata".

Member of the Board at II level Master in Forensic Genetics - University of Rome "Tor Vergata".

Since 2011, the year of establishment, he has been teaching lectures for the **II level Master** in Forensic Genetics and from the academic year 2017-18 to date he has been teaching Forensic Psychopathology.

From the academic year 2014-15 to date he has held the courses of "Professional interactions and responsibilities, medical-legal aspects" and "Professional legislation applied to information systems" in **the first level Master** in "Administrator of information systems in radiology and imaging area" - University of Rome "Tor Vergata".

He is a member of the Examination Committees of Forensic Medicine for students - Degree course in: Medicine and Surgery, Dentistry and Dental Prosthetics and in Law.

For the academic year 2016-17 assignment for a 4CFU module (24 hours) related to the teaching of Forensic Medicine for the Bachelor's Degree Course in Legal Sciences of Security. – Agreement with Carabinieri (Non-Commissioned Officers – Florence).

For the academic year 23-24 he is a lecturer in **II Level University Master** in Psychodiagnostics for Clinical, Forensic and Medico-Legal Evaluation of the Faculty of Medicine and Dentistry - University of Rome "La Sapienza"; teaching "Damage assessment: a medico-legal perspective".

For the academic year 2023-24 **Coordinator of the university professional training course** entitled: "Taking charge of psychiatric offenders in the R.E.M.S.: forensic psychiatric skills" (4 CFU) - University of Rome "Tor Vergata".

RESEARCH LINES

From 1996 to 2009

He participated in "**Research projects relating to the share of the budget allocation**" - University of Rome "Tor Vergata".

From July 2017 to October 2019	He was part **of the international research group** focused on genetics and forensic toxicology in the field of scientific research between the Russian Center of Forensic Sciences of the Ministry of Health of the Russian Federation (Russia) and the Department of Biomedicine and Prevention-University of Rome "Tor Vergata.
From 2019 to 2020	He has collaborated with the Institutes of Forensic Medicine, Physics and the UOC of Radiology and Neuroradiology of the Catholic University of the Sacred Heart – University Hospital "A. Gemelli" (IRCCS) as well as with the Section of Forensic Medicine of the University of Cagliari in a project entitled "An evaluation of the objectivity and reproducibility of shear wave elastography in estimating the post-mortem interval: a tissue biomechanical perspective" published in the International Journal of Legal Medicine (IALM) (2020)
From February 2018	Co-coordinator of a research project entitled "Research of biohumoral parameters as predictive indices of social deviance in patients admitted to SPDC" in collaboration with U.O.C. Psychiatry and Clinical Psychology - Policlinico Tor Vergata..
From January 2019	Head of the research "The role of nasal cytology and vitreous humor in the forensic investigation for the determination of the post-mortem interval", approved by the Ethics Committee of the PTV, resolution Prot. no. 211/18 of 23.01.2019 - Acta Medica Mediterranea, 2020, 36(6): 3369-74.

EDUCATION

29.10.1986	Degree in Medicine and Surgery at the University of Rome "La Sapienza" with a grade of 110/110 cum laude.
20.7.1990	Residency in Legal Medicine and Insurance at the University of Rome "Tor Vergata" with a grade of 50/50 cum laude.
9.11.2004	Residency in Psychiatry at the University of Rome "Tor Vergata" with a grade of 50/50.
