 - **Advanced Specialization Course in Dermatology** (Prof. Ferdinando Serri), Catholic University of the Sacred Heart, Rome – February 1980.
-

PROFESSIONAL EXPERIENCE

University Hospital of Modena – University Dermatology Clinic (1979 – 1999)

Held various roles with clinical and teaching responsibilities, primarily focused on allergic diseases and critical lower limb ulcers. Surgical activity performed under the guidance of Dr. Pier Camillo Riva, Specialist in Plastic Surgery.

- **Hospital Training Internship**, Dermatology Clinic of Modena (Oct 1979 - Mar 1980). Evaluation: Excellent.
- **Clinical Fellow** (Jan 1981 - Feb 1986).
- **Outpatient Dermatology Specialist** in various Local Health Units (USL) in the Modena province (1983-1989).
- **Interim Hospital Assistant** (1987-1988).
- **Permanent Hospital Assistant** (Jun 1989 - Jan 1995).
- **Permanent Hospital Co-Responsible Attending Physician** (from Feb 1995).
- **Head of Inpatient Ward** (1993-1999).
- **Hospital Quality Manager (RAQ)** (1993-1998), leading the unit to ISO 9000 accreditation.

"Alessandro Manzoni" Hospital, Lecco (Dec 2000 – Dec 2005)

- **Director, Complex Operational Unit (UOC) of Dermatology.**
- **Head of the Department of Clinical Allergology and Immunology** (Dec 2001 - Dec 2004).
- **Head of the Multidisciplinary Center for Critical and Diabetic Foot Ulcers.**
- **President of ARDEcV** (Non-Profit Association for Research in Dermatology and Vascular Surgery).
- **Surgical activity** focused on skin grafts (including 92 grafts with Hyalograft 3D and Laserskin).
- **Quality System Manager** for ISO 9000 and Joint Commission accreditation. Successfully achieved ISO 9000 certification (2001), VISION certification (2004), and subsequent Joint Commission review.

ASST Settelaghi – Hospital of Varese (Dec 2005 – Dec 2019)

- **Director, Complex Structure of Dermatology** (*intramoenia* regime).
- **Co-responsible for drafting the Melanoma Diagnostic Therapeutic Care Pathway (PDTA)** for ASST Settelaghi.

- Managed a comprehensive dermatology service, including a simple structure for Dermatologic Surgery.
- Led a study group for the Melanoma PDTA and oversaw clinical trials (mainly Phase III biologics).
- Organized and directed continuing medical education, including a **Journal Club** accredited by the Lombardy Region since 2010 (~10 annual workshops).
- Supervised an average of **8 undergraduate theses per year**.
- **Surgical activity:** ~1250 annual procedures for skin cancers, diagnostic biopsies, and regenerative medicine for ulcers.

Arcispedale Santa Maria Nuova, Reggio Emilia (Dec 2019 – Dec 2024)

- **Director, Complex Operational Unit (UOC) of Dermatology.**
- Reorganized activities, establishing new outpatient clinics and enhancing existing ones.
- Established and became regional reference for: Rare Diseases Clinic, Pediatric Dermatology, Lichen Sclerosus Clinic, and Hereditary Angioedema Clinic (joined the ITACA program, regional reference for Emilia-Romagna).
- Implemented a weekly Journal Club with web-based presentations from renowned Italian and international scholars.

STUDY AND TRAINING PERIODS

- **Jan - Apr 1980:** Clinical Fellow, Allergy and Immunology Section, Dept. of Internal Medicine, "La Sapienza" University of Rome (Prof. Umberto Serafini).
- **Feb 1980:** Attended "High Qualification in Dermatology" course, Rome (Prof. Ferdinando Serri).
- **Mar - Jun 1986:** Training at Fidia Advanced Biopolymers labs on cell culture techniques (keratinocytes/fibroblasts) and implantation of dermal/epidermal substitutes for venous ulcers.
- **1988:** Training at the Allergy Unit, Niguarda Hospital, Milan (Prof. Claudio Ortolani) for computerized management of allergy records.

- **Feb 1994:** Training at Hôpital Notre-Dame, Montreal, on techniques for applying cultured neonatal foreskin grafts to non-healing ulcers.
 - **Jun - Oct 2001:** Extended training at the Vascular Surgery Dept., "Manzoni" Hospital, Lecco (Dr. Giovanni Lorenzi), for advanced management of critical limb ischemia.
-

TEACHING ACTIVITY

- **Contract Professor**, Specialization School in Dermatology, University of Modena and Reggio Emilia. Taught "Clinical Dermatology" (1991-2006).
 - **Contract Professor**, Specialization School in Allergology and Clinical Immunology, University of Modena (1997-2007).
 - **Thesis Supervisor and Lecturer**, Specialization School in Plastic Surgery, University of Insubria, Varese (2010-present). Supervised 29 theses.
 - **Lecturer**, II Level Master IAWC (Italian Academy of Wound Care), Asti (2011-present).
 - Teaching collaboration with Prof. Alberto Giannetti for Medicine and Surgery students and Dermatology/Allergology residents, University of Modena (1979-1999).
-

RESEARCH ACTIVITY

Primary research areas include:

- Urticaria and Eosinophil Cationic Protein levels.
- Non-healing skin ulcers: clinical research on skin grafts, dermal substitutes, regenerative medicine (PRP, stromal adipose stem cells), monocytic cell therapies.
- Etiology of textile dye contact dermatitis and relationship with atopic status.
- Acral scleroderma ulcers and use of blood-derived products.

PERSONAL, ORGANIZATIONAL, AND MANAGERIAL SKILLS

- **Leadership:** Proven through the direction of all complex structures (Modena, Lecco, Varese) and as Head of a multidisciplinary Department of Clinical Allergology.
- **Organizational & Project Management:** Gained through hands-on experience and specific training courses (e.g., "Working in Teams," Bocconi University, 2016).
- **Quality Control:** Extensive experience as a Quality Manager (RAQ) for ISO 9000, VISION, and Joint Commission accreditation processes.
- **Volunteering & Non-Profit Leadership:** Founded and presided over ARDEcV ONLUS, providing free care and advanced dressings for vascular ulcer patients.
- **Intercultural Skills:** Developed through international work experience and participation in numerous congresses worldwide.
- **Scientific Communication:** Author of 245 publications and 394 congress abstracts. Frequent speaker at 394 congresses, meetings, and workshops.

FURTHER INFORMATION
