

Curriculum Vitae

Personal Information

Name: Eleonora Nardi

Address:

Phone:

E-mail:

Nationality: Italian

Date of Birth:

Work Experience

January 16, 2025 – Present

Independent Professional Contract, Fondazione Policlinico Universitario Agostino Gemelli IRCCS, Rome.

December 1, 2023 – February 29, 2024

External Training Period, Fondazione Policlinico Universitario Agostino Gemelli IRCCS – Prof. Arena.

- Participation in diagnostic and consultation activities, mainly in the field of fetal–placental pathology.
- Participation in autopsy activities at the Forensic Medicine Department.

August 1, 2022 – October 31, 2022

External Training Period, Giannina Gaslini Pediatric Hospital – Prof. Fulcheri.
Advanced training in diagnostic and autoptic fetal–placental pathology.

November 2021 – Present

Residency Program in Pathological Anatomy, University of Florence.

Education and Training

- 2014 – 2021

University of Florence – Single-Cycle Master’s Degree in Medicine and Surgery.

Thesis: “The Study of the Placenta in the Diagnosis of Fetal Deaths: Evaluation of Molecular Alterations through NGS.”

Supervisor: Prof. Daniela Massi; Co-supervisor: Dr. Francesca Castiglione.

Final Grade: 110/110 with Honors.

- 2013 – 2014

University of Florence – First-year attendance in Biotechnology.

- 2008 – 2013

Liceo Classico Michelangelo, Florence – Classical High School Diploma (Grade: 90/100).

Personal Skills and Competences

Mother Tongue: Italian

Other Languages:

- English – Reading: Excellent, Writing: Excellent, Speaking: Excellent
- Spanish – Reading: Good, Writing: Good, Speaking: Good

Interpersonal Skills:

Excellent ability to establish and maintain professional relationships and work effectively in teams. Strong leadership and conflict-resolution skills.

Organizational Skills:

Excellent ability to plan objectives and organize related tasks, both independently and within a team.

Technical Skills:

Proficient in the use of computers and digital equipment. Skilled in the main software packages (Microsoft Office) and basic programming.

Driving Licences: A2, B

Participation in Conferences

- Occupational health and safety training course – February 18 and 25, 2017.
 - Consensus Conference: “To Standardize Placental Pathology Diagnostics in the Tuscany Region” – September 20, 2021.
- “Bibliographic Research in Medicine: PubMed and Online Services of the Biomedical Library” – October 14, 2021.
- Annual Pathology Congress SIAPeC-IAP 2021 – Virtual Congress – E-Poster: “A Study on the Placenta in IUFD.”
- 9th Triennial SIAPeC-IAP Congress 2022 – Padua – E-Poster: “Sub-centimetric Chorioangiomas.”
- SIAPeC-IAP Annual Congress 2023 – Naples – E-Poster: “Fetal Anemia due to Large Placental Chorioangioma.”
- 35th European Congress of Pathology 2023 – Dublin – E-Posters: “Placental Angiogenesis in Fetal Death” and “Placenta Molecular Characteristics in IUFD.”
- Invited Speaker, 36th European Congress of Pathology 2024 – Florence – “Placental Dysfunction and Intrauterine Fetal Demise.”
- 36th European Congress of Pathology 2024 – Vienna – Oral Presentation: “Clinicopathological Correlations in Placentas of Pregnancies after ART.”
- Speaker, “SIMP per il Confronto” Conference 2025 – Florence – “Clinical Case: Diagnosis and Management of Fetal Mesenchymal Dysplasia.”
